Our GoFundMe campaign for re-opening the store is at over \$10,000 as of today. There has been a very generous outpouring of support from our community. We are still far from meeting our costs to recover from this devastating event.

As of today, we have lost about \$350,000. Please share our GoFundMe and our worker relief posts on social media if you can. We need your help to get the word out to pull together the resources to get up and running and restore jobs.

We are also selling \$550 gift cards for \$500 to help with cash flow. These can be used as of June 1, 2019. You can see it all on our website.

As you engage others in conversations about the flood, direct them to our website.

Needing Help

Significant progress is being made on restoring the Sebastopol store. It's possible we could open our doors next week with limited service.

We have a pressing need for volunteers on a daily basis. If you are able to lend a hand, we will plan to repay volunteers somehow or another once we get back open.

The sooner we can open our doors, the sooner we can restore the vital revenue stream to our cash flow and begin re-hiring our Sebastopol team.

We need a group of 4 that can paint and do a little woodwork. Hopefully Thursday or Friday. Please let Caleb know ASAP if that can be you.

CODE GREENS

Sean is a super fun person and rocks in the bar! He goes above and beyond and is a joy to work with. He's also learning a lot about the product we carry in the taproom and is becoming very knowledgeable. -Amythist

Myranda: She is absolutely killing it. Her customer service is off the charts and she is super willing to do anything and everything to help out in any possible way. Huge thanks to her. I would lose my mind at nights otherwise. -Dustin

Chris: She did a **Super-Clean** on the customer bathroom after someone did a seriously bad job on the entire room. Thank you!!!! Chris for taking that on. - Tess

DONATORS

I hope my gift helps open your doors sooner. "No mud, no lotus". You're going to bloom high above this. ~ Anthony

Temporary Job at Wild Brine

Wild Brine called to say that they are looking for temporary workers at their warehouse and wanted to offer to any of our laid-off staff, first. If you know anyone who might be interested, here is the contact info:

Mary Doan, HR - (707) 800-6177

Criteria would be that the worker must be able to lift 50+ lbs. They are fine with a 2 week stint even though the shifts are for 6 weeks or longer.

For three decades, the **Laguna Foundation** has been the steward of the Laguna wetlands and all its wildlife. They've restored 250 acres with native plants. Restored wetlands become even more important buffers against storms, fires and drought.

Other ways the Laguna Foundation makes our watershed healthier are urban stream restoration, Coho Salmon research & restoration, and establishing a county-wide vernal pool sanctuary.

Community Market has everything I love. The store functions because its operation is so well thought out. Great staff, beautiful products, community vibe, and healthy, inspiring food.
